Yorkshire & The North

The Pennines form the backbone of the country in this breathtaking and varied area, so be prepared for stunning scenery among the hills and dales, as well as 2 spectacular coastlines.

Explore the scenery and history of the Border country from Riverside, while Beacon Fell View is conveniently placed for days out to see the majesty of the Lake District and the excitement of buzzing Blackpool, with its famous Tower and Pleasure Beach.

Across the Pennines, there's a wealth of attractions to visit in Yorkshire. Explore the North York Moors on foot, by car, or take the famous steam railway to 'Heartbeat Country'. Visit Whitby, Scarborough, Filey or the many picturesque coastal and countryside villages.

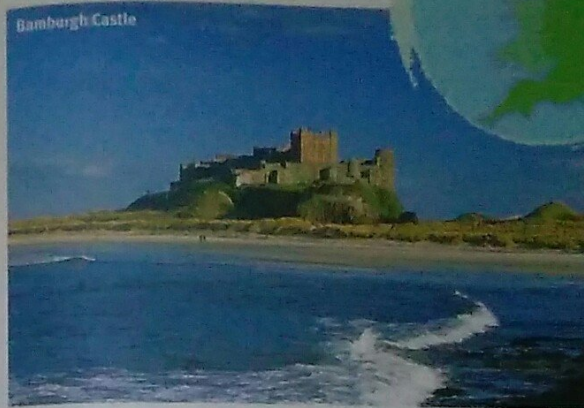

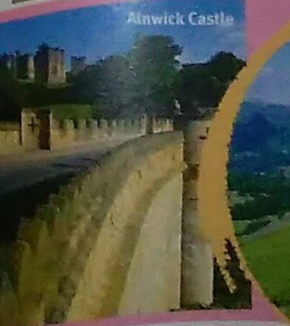

In the Borders

- **Bamburgh Castle** – this Norman castle dominates the Northumberland coastline
- **Ford & Etal** – A rural estate set in the shadow of the Cheviots, containing 2 castles, a pottery, working smithy, plant nursery, bakery, tea shop and a pub.
- **Cragside House** – the first in the world to be lit by hydro-electricity and now including 1000 acres of forests, lakes and gardens.
- **Holy Island** – Visit St Cuthbert's Priory, Lindisfarne Castle or wander round the attractive village, but be warned, the island gets cut off at high tide!
- **Farne Islands** – take a boat trip from Seahouses to see seals and puffins around the famous Longstone lighthouse.

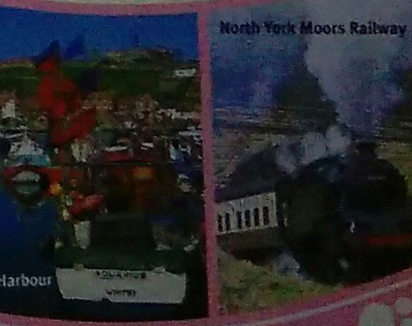

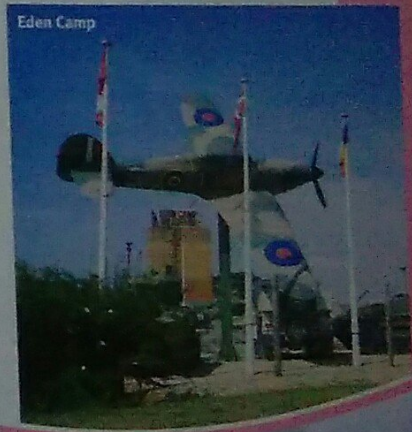

Lancashire

- **The Lake District** – explore this stunning National Park much loved by Wordsworth and Beatrix Potter.
- **Blackpool** – take a tram ride along the Golden Mile, or a white knuckle ride on 'The Big One' rollercoaster.
- **Cliethrope and Pendle Hill** – follow the Witches of Pendle trail.

Yorkshire

- **Scarborough Millennium** – travel back through time to Viking Skarthaþborg and witness 1000 years of Scarborough's history.
- **Eden Camp** – Re-live the war years through civilian eyes, including the Blitz, coal mining, The Street at War and much more.
- **The Dracula Experience** – This spine chilling show recreates Bram Stoker's fiend – possibly Whitby's most famous resident!
- **York** – visit the National Railway Museum, the Jorvik Centre, York Dungeon, impressive York Minster, or wander through the Shambles medieval area of the city.
- **Flamborough Head** – where the rolling chalklands of the Yorkshire Wolds meet the sea in stunning cliff-top style.
- **Hornsea** – visit the famous pottery.

Riverside Northumbria

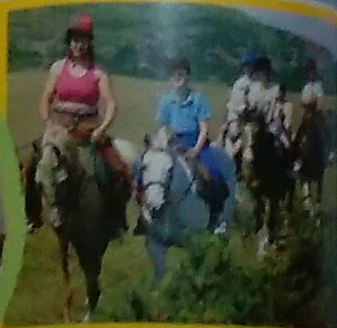

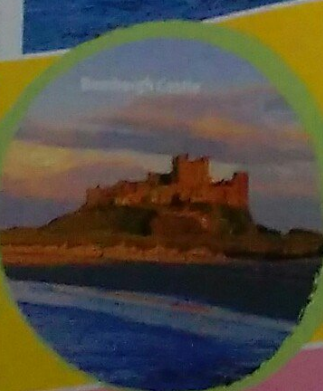

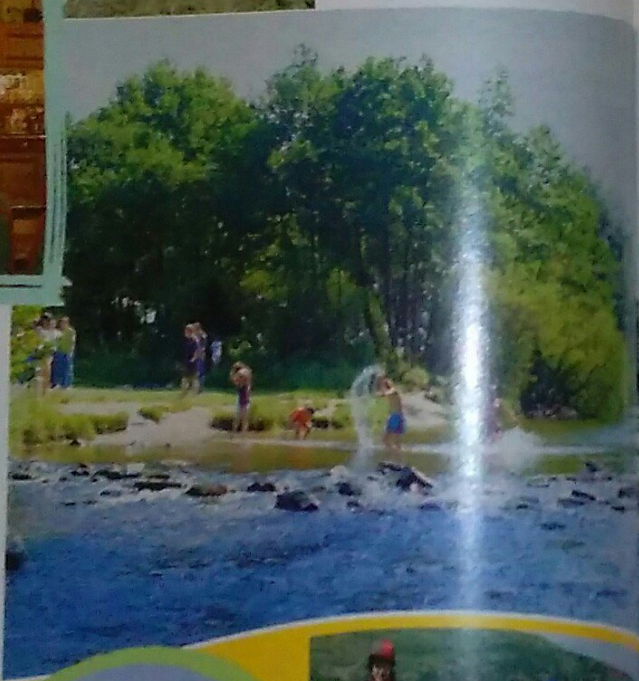

Situated on the edge of the Northumbria National Park, Riverside Holiday Park is ideal for rambling and fell walking, fishing, touring and exploring.

You are in border country, so visit Berwick-upon-Tweed, Jedburgh or Bamburgh and their castles, or most famous of all, Hadrian's Wall. There is marvellous walking close by across the Cheviot Ridge. For the more adventurous follow the Pennine Way to the Great Cheviot itself.

More leisurely time can be spent fishing, either in the River Wooler which passes through the Park, or with a rod licence try fishing for trout in our own private lake.

Take a relaxing dip in our indoor spa pool and then round off the day with a drink in our lounge bar, or enjoy music and visiting cabaret in the family clubroom.

The East of England

The Eastern coastline of England is one of contrasts. Relax in the wide open spaces and deserted beaches of Norfolk and Lincolnshire, where the tide goes out for miles and the endless skies are only interrupted by windmills and church spires.

Or enjoy the bustle and nightlife that the busy resorts of Skegness, Great Yarmouth and Clacton have to offer.

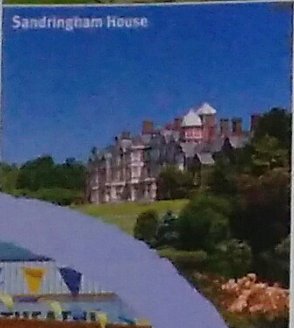

As you enter the heritage coast and countryside of Suffolk and Essex, discover landscapes immortalised by Constable, medieval market towns, and pretty villages.

Lincolnshire

- **Lincoln** – bustling town with a castle, cathedral, shops and market.
- **Church Farm Museum** – take an unhurried stroll into a bygone era and discover a period furnished farmhouse, agricultural machinery and Lincoln Longwool Sheep.
- **Skegness** – enjoy a great day out at this traditional seaside resort.

Lincoln Cathedral

Sandringham House

Norfolk

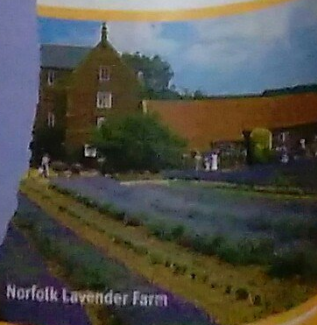

- **Sandringham House** – visit the house and grounds created by Edward VII and now the Queen's country retreat.
- **Tales of the Old Gaol House** – Discover more about the merchants and murderers of King's Lynn.
- **Norfolk Broads** – take a boat trip from Wroxham or Potter Higham to explore the tranquil backwaters and picturesque villages.
- **Sutton Windmill** – a 200 year old cornmill, Britain's tallest windmill with superb views of the surrounding countryside.
- **Thrigby Hall Wildlife Gardens** – view rare Tigers from the Treewalk, exotic waterfalls from the bridges of the Willow Pattern Garden and awesome crocodiles in the jungle Swamp House.

Skegness

Suffolk

- **Somerleyton Hall and Gardens** – you could end up going round in circles if you get lost in the famous maze.
- **East Anglia Transport Museum** – Take a ride on a tram, a trolleybus or the narrow gauge railway.
- **Otter Trust, Bungay** – see Otters in their natural environment.

Norfolk Lavender Farm

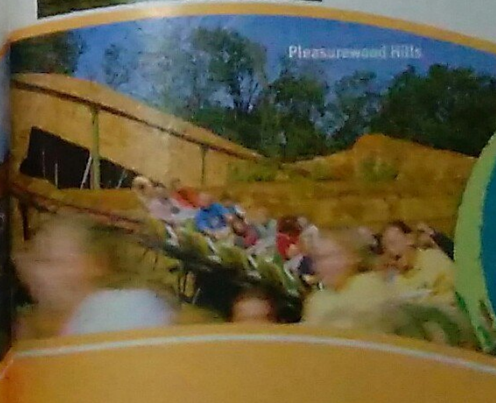

Norfolk Broads

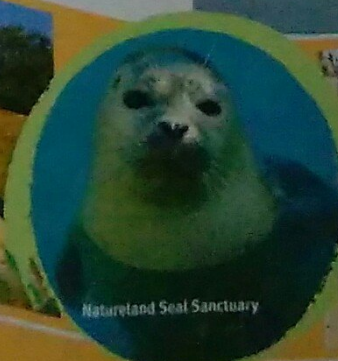

Headingham Castle

Essex

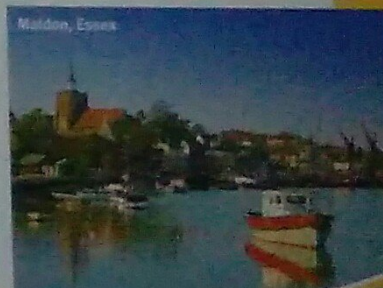

- **Colchester Zoo** – one of the country's leading zoos. The 'Spirit of Africa' Elephant Kingdom and 'Wilds of Asia' complex house a wide range of wildlife.
- **Rollerworld** – Rollerdisco, Rollerblade, Rollercafe, Rollershop, you'll find it all in the world's finest rollerskating rink.
- **Mangapps** – re-creating the country railway at Burnham-on-Crouch.
- **Clacton Pier** – major entertainment centre with shops, rides, aquarium and reptile house.

Combe Haven Sussex

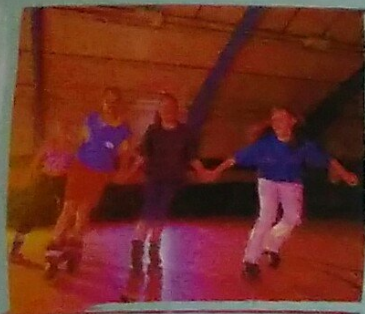

Come to Combe Haven for a great family holiday. We have a choice of indoor or outdoor pools, an All-Weather Multi Sports Court, bowling green and pitch 'n' putt. At The Strikes complex enjoy a meal in the bistro or a game of mini ten-pin bowling.

How about a game of badminton or 5-a-side football in the sports hall? Alternatively the Sussex Inn Pub, complete with snooker, pool, and darts is just the place to be.

Youngsters love the Rompers play area within the indoor Fun Palace, while outdoors there's the great Rory themed adventure playground for hours of fun and excitement.

Rory's Tiger Club has a great programme of fun and games while our Paws Club is a great place for mums and dads to bring children 1 to 4 years old. We haven't forgotten teenagers either with T-CD.

Ty Mawr North Wales

Ty Mawr offers the best of two worlds. Situated within easy reach of Rhyl with all the razzmatazz a popular seaside resort provides but still only a short distance away from the rolling hills and countryside of Snowdonia.

On the Park our all-weather multi sports court offers the chance to play team games and American-style sports. The indoor fun pool, with its exciting flume, is guaranteed to provide hours of fun whatever the weather.

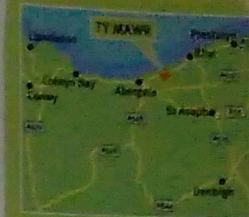

Children will love the Tiger Club or the adventure playground while teenagers join in with T-CO. All the family can try their hand at Strikes Mini Ten-Pin Bowling or perhaps a game of pool. Add to this our spanking line-up of shows and visiting cabaret and you will see there's something for everyone at Ty Mawr.

Conditions of booking

Our Holiday Contract

Our contract is made when you receive our written holiday confirmation. Our contract is subject to these conditions of booking and the provisions contained in the 'All you need to know' and 'How to Book' sections of this brochure and such other terms (such as, but not only, qualifying dates) as appear elsewhere in this brochure. Signing the Booking Form or holiday confirmation will be treated as an application by each person listed over 18 years of age for membership of any club operating at that Park, in respect of which a subscription of £5 is included in the holiday tariff. This is a legal requirement in order to use certain facilities provided. The personal details provided, including home address and age must be true and correct. We reserve the right to decline or terminate the booking of any guest(s) whose party make-up or behaviour interferes or may interfere with the general comfort of other guests. In this event no refund will be made.

Changes to your Holiday by you

After you have paid your deposit you may wish to change some elements of the Holiday, e.g. type of accommodation. We will try to meet your request, however, a charge of £30 per alteration to the Holiday will be payable. Substantial changes, such as a change of location or holiday date will be treated as a cancellation (see below). Any changes must be made at least 8 weeks before the Holiday date, and be confirmed to us in writing by the same person who signed the Booking Form or confirmation paperwork, or their Travel Agent. Where changes are sought to be made within 8 weeks of the start of the Holiday it will be treated as a cancellation, and be subject to cancellation charges as outlined below.

If you cancel your booking

It may be necessary to cancel your break due to illness, accident or change of circumstances. If you have taken insurance, payments arising from the cancellation will be covered in most cases (see below for details).

As soon as you know that you need to cancel, call the Administration Department on 0870 242 3333 (calls charged at standard national rate), or see your travel agent and confirm the cancellation in writing. The letter must be signed (where possible) by the person who signed the booking form/confirmation of booking or their travel agent.

Cancellation charges are calculated as follows from the date that your written instructions are received:

Length of time	Cancellation Charge
56 days or more	Deposit and insurance premium
43-55 days	30%
28-42 days	50%
14-27 days	90%
7 days or less	100%

If you have not arrived by 8.00 a.m. on the morning after your break was due to commence or contacted the resort concerned to confirm when you will arrive, we will assume that the break is cancelled and the total cost and the insurance premium will be forfeited.

If we make any major alterations to your booking

We try very hard to provide all facilities and entertainment as advertised in our brochure. It may however be necessary to make some alterations in advance of your holiday. If such a change is necessary, we will endeavour to advise you, or your travel agent in writing as soon as possible, and give you the options in the section entitled 'Options if we make a major change or cancel your break'. For minor or last minute alterations, please see the section entitled 'Availability of facilities on page 191'.

If we cancel your booking

We will try very hard not to change the date or cancel your booking, but in exceptional circumstances this may be necessary. We will inform you of the change of date or cancellation as soon as possible and give you the options listed below.

Options if we make a major change or cancel your booking

We will give you the following options:

- accept the alternative arrangements as notified to you
- choosing another available break from us at the advertised price
- cancelling your holiday with a full refund of any money you have paid

In addition to the above and provided it does not arise from circumstances amounting to force majeure*, we will also pay you the following compensation:

- if after full payment, but more than 2 weeks before your intended departure date, a maximum of £20 per booking per full week break, or £10 per booking per short break; or
- if after full payment, but within 2 weeks of your intended departure date, a maximum of £40 per booking per full week break, or £20 per booking per short break.

*Force majeure means circumstances beyond our control including (but not limited to) industrial disputes, natural disasters, fire, technical problems, bad weather and acts of government.

Limitation of Liability

We accept responsibility for these arrangements for your holiday which are within our control, but we cannot accept liability for any injury, loss or damage suffered by you or any member of your party, unless one of the following applies:

- there was wilful default by us, our employees or agents; or
- death or personal injury was caused by the negligence of Haven Holidays, our employees or agents.

For all claims other than death or personal injury, which result from the non-performance or improper performance of the contract by Haven Holidays, Haven Holidays will pay compensation that is reasonable in all circumstances.

No action can be taken in respect of any complaint not brought to the attention of the Park Duty Manager. Please see page 191 for full details of our customer services policy.

General

Please note that all points covered in the 'All you need to know' and 'How to book' sections of this brochure also form part of these Conditions of booking. All bookings are subject to these Conditions of booking and to availability.

The Free Ferry offer to the Isle of Wight means that the cost of ferry travel is included in the total holiday cost.

Important:

Under the Association of British Insurers General Business Code of Practice, we are required to draw your attention to important features of your policy including:

- Policy Document:** you should read the document carefully. It gives you full details of what is and is not covered and the conditions of cover. Cover will vary from policy to policy and insurer to insurer.
- Health:** your policy contains restrictions regarding pre-existing medical problems concerning the health of the family travelling and of other people upon whose health the trip may depend. You are advised to read your policy carefully.
- Conditions, Exclusions and Warranties:** conditions and exclusions will apply to individual sections of your policy while general exclusions, conditions and warranties will apply to the whole of your policy.
- Date Recognition Failure:** your policy may contain exclusions for losses arising from the failure of equipment or any computer program to correctly recognise the calendar date.
- Dangerous Sports or Pastimes:** any activity, other than those arranged by Haven, where there is a high risk of injury, will need to be referred to our Administration Department. Additional premiums may apply.
- Property Claims:** these claims are paid based on the

value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis.

- Policy Limits:** most sections of your policy have limits on the amount the insurer will pay under that section. Some sections also include other specific limits, for example, for any single article, pair or set or for valuables in total. You are advised to check your policy if you intend taking expensive items with you.
- Policy Excesses:** under most sections of the policy, claims will be subject to an excess. This means that you will be responsible for paying the first part of the claim. The amount you have to pay is the excess.
- Reasonable Care:** you need to take all reasonable care to protect yourself and your property, as you would if you were not insured.
- Complaints:** your Insurance policy will have in it a complaints procedure which tells you what steps you can take if you wish to make a complaint.
- 'Cooling Off' Period:** your policy contains a 'cooling off' period during which you can return the policy and get a refund, if you have a justifiable reason for being dissatisfied with the cover it provides.

Your policy is governed by the law of England and Wales. Any legal disputes will be dealt with in an English court. If you would like more information, you should ask our Reservations Staff, particularly if you feel the insurance may not meet your needs.

PLEASE MAKE SURE YOU READ YOUR POLICY CAREFULLY

Full details of the insurance cover will be sent with your holiday confirmation.

Car Breakdown and Recovery Insurance

A breakdown en route could ruin your holiday plans so we have negotiated a special Scheme with Underwriters at Lloyd's to give you and your party additional protection. Our Scheme enables you to remain mobile following a breakdown so that you can enjoy your holiday to the full. You may already belong to a Motoring Organisation but will they pay for a week's car hire if you need it? At the nominal cost of £10 for 7 night holidays or £5 for 3/4 night short breaks, we would strongly recommend that you take advantage of this cover. The above premiums include 4% insurance premium tax. Does not apply to Tenting and Touring holidays.

Full details of the insurance cover will be sent to you prior to the start of your holiday.

The Underwriters will reimburse you following a breakdown, accident, fire or theft which leaves your vehicle immobile under either of the following sections:	
BENEFIT	CLAIM LIMIT
Section 1 Emergency labour charges to repair your vehicle immediately	£250
Section 2 Where the vehicle is unavailable for more than 24 hours following a breakdown or 24 hours of the sole available driver the following expenses will be claimed:	
Recovery to the nearest garage or railway station	Unlimited
Car hire (to continue your holiday)	£10 per day (maximum £200)
OR Alternative driver (chauffeur if the sole available driver is ill)	£10 per day (maximum £200)
OR Standard class rail/coach fares to reach your holiday destination or to return home	Unlimited
Emergency hotel accommodation	£15 per person per night
Vehicle recovery costs to home	Unlimited
OR Vehicle collection costs after holiday	Unlimited
MAXIMUM CLAIM: £2,500	

MAIN EXCLUSIONS: The costs of parts used in any repair. Breakdowns due to lack of petrol, or water or frost damage. Use of vehicle for rally or competitive purposes.

ELIGIBLE VEHICLE: Your car must be less than 15 years old, in a roadworthy condition and regularly serviced (by yourself or a garage). Mini buses and vehicles with more than 7 seats cannot be covered by this Scheme.

Anyone can enjoy the exciting new matinee show featuring the New State Circus of Moscow. What's more, there's evening entertainment to suit all ages, from Summer Time Salsa to Echoes from the Cavern, and Star Names Appearing all year round, not forgetting Reds where an amazing line up of entertainment is guaranteed.

The new-look accommodation will provide an ideal base from which to enjoy your break and with so much to do you won't want to leave!

All you need to know

Arrival and departure times

Your accommodation is available from 4 pm on the day of your arrival once it has been cleaned and prepared for you. We are happy to welcome you at the Park earlier and when your accommodation is ready you may move in.

In order for us to prepare for our next guests we do ask that you vacate your accommodation by 10 am on your day of departure.

Late arrivals

If you expect to arrive after 7 pm on the first day of your stay, please let the Park know so that we can make arrangements for you to collect your keys.

Half board guests should note that restaurants are not open after 7 pm, although snacks are for sale on Park. Unless the Park is previously notified, you must claim your accommodation by 8 am on the day after your holiday was due to start, otherwise we will treat your booking as cancelled (see cancellation conditions on page 192).

Great family holidays

Haven's Parks and their facilities are intended for family and adult holidays. We are therefore sorry that we cannot accept any single parties under the age of 18. Other parties of young people are accepted only at the Company's discretion.

What do you need to bring?

Self-catering

Our well equipped self-catering accommodation contains cooking items, crockery and cutlery as well as bed-linen for your party size. You will need to bring washing up materials, plus towels, toiletries and personal effects.

Half board

Our half board chalets provide towels and bed-linen, so all you need to bring are pool/beach towels, toiletries and personal effects.

Launderette facilities are available for any washing you may need to do during your stay.

Dining arrangements for half board guests

7 night holidays, 3 night weekend breaks and 4 night midweek breaks provide breakfast and dinner. Meals start with dinner on the day of arrival and finish with breakfast on the day of departure.

Dining arrangements for bed & breakfast guests

7 night holidays, 3 night weekend breaks and 4 night midweek breaks provide breakfast each morning of your stay.

Special menu requirements

All of our Half Board Parks provide Vegetarian options at each meal, as well as those from the Salad Bar, Omelette Bar and Wok Bar (where available). Should anyone in your party have any other dietary requirements, please let us know when you book your holiday, using the Special Requests box on the Booking Form, so that we can try and make special arrangements.

Special requirements

If you have any other special requests regarding your holiday accommodation please advise us when making your booking and confirm your request in writing when forwarding your Booking Form. Please include a phone number in case of any query. We will endeavour to meet your requests, however this cannot be guaranteed.

Guests with disabilities

We are happy to provide as much advice and information as possible to people with disabilities who wish to holiday at our Parks.

It is important that you talk to us before making the booking as, for example, not all Parks or accommodation are suitable for guests with disabilities and wheelchair access may be limited.

It is therefore essential that you give us as much detail as possible so that we can advise you on suitable locations and ensure that you get the most enjoyment from your holiday.

Many of our self-catering Parks have caravans specially adapted for wheelchair users. Please note that due to their weight and size, not all accommodation is suitable for electric wheelchairs.

We have modified some chalets at selected Parks, to provide wider doorways, handrails and ramps for easier access.

Some guests may also need able-bodied assistance in some accommodation.

Again please discuss this with us before making your booking. Our staff will be pleased to advise and assist you with your detailed requirements.

All requirements must be confirmed in writing when forwarding your Booking Form. Special requests cannot be made a condition of your booking as they are always subject to availability.

Dogs and other pets

For the convenience of other guests, no pets (with the exception of guide dogs only) are allowed in half board accommodation.

Most dogs are welcome in selected accommodation at certain Parks, at a charge of £40 per dog per week and £20 per dog per short break, up to a maximum of two animals per accommodation unit. Other pets may be permitted at the discretion of the Park General Manager. Please contact the Park direct to discuss charges prior to making your booking. Parks which do not accept animals are clearly identified on the individual Park pages of this brochure.

Where dogs are allowed, they must always wear a collar and identity tag and be kept on a lead under the control of a responsible adult at all times. Dogs and other pets are not allowed in facility buildings, restaurants or food service areas and swimming pool areas. Dogs are allowed only in Economy and Bronze standard accommodation excluding 2001 model caravans. These restrictions do not apply to guide dogs. We reserve the right to require the owner of any dog or other pet to remove it from the Park if we consider it a nuisance or to be interfering with the general comfort of guests.

Certain breeds of dog are not allowed on any Haven

Park, in order to maintain the safety and well-being of all our guests. Please check at the time of booking.

Please note that where a public footpath or right of way crosses our Parks, dogs cannot be excluded from that area.

Cots and highchairs

Self-catering

Cots for chalets are available at a charge of £5 per week. In most chalets cots will be positioned in the living room. Please remember to bring your own cot linen. We do not recommend the use of cots in caravans as they do not fit in the bedrooms. However, a cot side rail is available for a charge of £5 per week or £2.50 per short break for one single bed in some of our caravans. A limited number of highchairs can be hired at most self-catering Parks. Please contact the Park direct for details.

Half board

Cots are provided free of charge and will usually be located in the main sleeping area.

Highchairs are also available free of charge in half board restaurants.

All of the above are subject to availability. Please request at the time of booking.

Children

We provide a range of indoor and outdoor facilities for children:

Paws (12 months-4 years)

At selected Parks, the Paws programme operates Easter-26 October. Paws is an early programme suitable for parents and children aged 12 months up to the age of 4. It is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions. Places are limited and parents are asked to reserve a place on arrival at the Park.

Rompers playroom (under 5s)

At selected Parks, Rompers playrooms and play areas are a cheerful place where your children have the opportunity to play under your supervision, both during the morning and in the afternoon.

The Tiger Club (5-11 years)

At our All-Action and Lively Parks, between 26 May and 7 September, we operate Animal Crackers (5-7 years) and Jungle Rangers (8-11 years) each providing a range of activities suited to their age groups. At other times of the year and at other Parks The Tiger Club combines the best of both activities for 5-11 year olds. Please see individual Park pages for details.

T-CO. (12-16+)

With their own dedicated leader, T-CO. operates on our All-Action Parks Easter-7 September and at Lively Parks 26 May-7 September. The activity programme is more limited outside the main school holiday period.

Your responsibility

Please Note: Children remain the responsibility of their parents or guardians at all times, as they do with any of our activities or facilities. The club programmes form part of our entertainment programme, and are not child care facilities. We do provide supervision of the children during sessions.

It is important that you always know where your children are, and that you know the times that the activities start and finish.

It is particularly important that you make sure that your children understand that they should always follow the instructions of the HavenMates, T-CO. leaders, Sports Instructors and Lifeguards, so that the possibility of accidents can be reduced.

Please take care

Please treat the property, facilities and accommodation at your Haven Park with respect and care so that other guests may continue to enjoy them. In the event that you notice damage to any facility or in your accommodation please report it to reception immediately so that we can take appropriate action.

Accommodation will be inspected at the end of the holiday and you may be charged for any loss or damage found. We reserve the right to enter accommodation under any special circumstances or emergencies.

Licensing Laws

In accordance with UK licensing laws, we can only sell alcohol to persons aged 18 or over. We may require you to show proof of age using an approved form of identification. We accept the following forms of ID at Haven Parks: full passport, a new style driver's licence incorporating a photograph, a Foreman Group proof of age card.

Use of your holiday home

Only those people listed on the Booking Form/confirmation can occupy your accommodation and use the facilities of the Park. If this legal requirement is not met, your booking will be terminated and you will be asked to leave, with no refund made.

If you have any friends who wish to visit you while you are staying with us, please see the Duty Manager who will arrange a day pass for them.

Unreasonable behaviour

For the convenience of our guests, we reserve the right to terminate a holiday without compensation, where the unreasonable behaviour of the persons named on the Booking Form or their guests might impair the enjoyment, comfort or health of other guests.

Infectious diseases

Infectious or contagious diseases could easily be passed to other guests while on holiday. You must inform the duty manager should you contract any such illness while on holiday. In order to protect our guests and staff, anyone found to have such a condition may be confined or requested to leave the Park. Please note that in such circumstances we are unable to offer refunds and we therefore recommend you take out insurance.

Calculating your holiday cost

The price grid on the individual Park pages shows the

tariff for the holiday date and accommodation chosen. For a two week holiday just add together the charges for the two relevant weeks. Supplements will be charged if you have requested a cot, are bringing a pet, require travel tickets or insurance, have requested a 2001 model, Bronze Plus, Bronze Plus extra wide or Rory Village caravan, or a Bronze Plus chalet or lodge. Supplements are also charged on half board holidays if you have requested silver or accommodation with a lounge.

Occupancy supplements

At half board Parks, there are single chalets, but these are in great demand. When these are full, and a single person occupies a chalet designed for two or more people, we may add a Single Occupancy Supplement to your invoice. Where a party of fewer numbers occupies a chalet designated for more people, an under occupancy supplement may be charged. You will be advised of this charge at the time of booking.

Prices

We guarantee that the price of your Holiday will be as agreed and shown on your Holiday Booking confirmation for your party size, and for the accommodation you choose, plus any supplements and insurance chosen. We reserve the right to increase prices only where there is an increase in Value Added Tax or any other tax applicable to your holiday. Please note that all prices shown are inclusive of VAT at the rate of 17.5%.

Certain caravans and chalets are sub-let by us on behalf of private owners who are not registered for VAT. In such cases the price shown in the brochure does not include VAT on the booking charge, but does include a handling fee (which includes VAT). In any event the price shown remains the same.

Availability of facilities

The price grids on individual Park pages show the dates on which the Park is open, as well as the opening and closing dates of facilities such as outdoor swimming pools, shops and services as well as the operation of our entertainment programme. Please note that at our All-Action Parks with more than one evening entertainment venue, prior to 26 May and after 8 September 2001, entertainment may only be provided in one venue, in order to ensure everyone's enjoyment. At selected smaller Parks during these early and late periods entertainment is provided at weekends only, although our bars will be open for your enjoyment during the week.

Please note that guests must be over one metre tall to use our swimming pool flumes. For the Fun Towers, guests must be over 1 metre tall to use the Multi Lane Slide and Snake Slide and over 1.4 metres tall to use the Free Fall Slide.

Other facilities may also have height and age restrictions. Please check at the time of booking. The operation of our Parks is subject to legislation and the guidelines laid down by the Health & Safety Executive and Local Authorities and their codes of practice. We accordingly reserve the right to adjust our services in order to meet these standards.

It is possible that in some circumstances accommodation, entertainment or a facility may have to be temporarily withdrawn, due to maintenance, renovation, adverse weather conditions, changes in governmental legislation, or any other factor outside our control.

We reserve the right to make such alterations in the above circumstances without prior notice, and are unable to accept liability for the loss of an advertised facility, or to pay compensation for any inconvenience caused.

Should changes occur, we will advise of these changes, where made prior to booking and will use reasonable endeavours to advise guests already booked of any changes made thereafter.

Travel arrangements

Where you take up the additional offer of ferry, coach or rail travel, all party members are subject to the terms and conditions of the service operator(s). Full details available on request. We cannot be held responsible for any unusual or unforeseen circumstances, including delays or breakdowns, on the part of ferry, coach or rail operators, which are beyond our control. Rail and coach arrangements are offered as an additional service for guests and do not represent an integral part of your holiday. The rail and coach travel options are not available to guests using tourist or tent pitches.

Brochure accuracy

We take every care to ensure that the details of this brochure are accurate at time of going to press. Photographs are taken at our Parks and are intended for guidance only. Layout plans are for illustrative purposes only. Please note that not all items will be identical at all Parks. The Acts and Artists featured in this brochure are those which have appeared with us recently. They or acts of a similar calibre will be entertaining you in 2001.

If you have a comment

If you are dissatisfied with any aspect of your break, please speak to the Park Reception. In most cases they will be able to help you immediately so that you can enjoy the rest of your stay. However, if you are still not satisfied, you must then make an appointment to see the Duty Manager and record your complaint with them. If, at the end of your break, you feel that we have not dealt with your complaint satisfactorily, please write to the General Manager at the Park no later than 28 days after the end of your break. We are only able to take action on any complaints which are first brought to the attention of the Reception team whilst you are on your break and secondly received in writing within 28 days, unless there are exceptional circumstances. It is necessary for Haven to impose these limitations so that we have the opportunity to solve the problems experienced.
